

## POST-APPLICATION PERIOD REQUEST FOR RECONSIDERATION

Under section 60851 of title 2 of the California Code of Regulations, if the Bureau of State Audits or the Applicant Review Panel decides to exclude or remove an applicant from the pool of applicants being considered for selection to the Citizens Redistricting Commission, the applicant may request reconsideration of the decision if the decision was the result of an error relating to:

- Having a conflict of interest;
- Failing to satisfy the eligibility requirements for serving on the commission; or
- Failing to comply with the procedural requirements of the application process.

To request reconsideration of the decision to exclude or remove you from the applicant pool because the decision was based on an error, as described above, please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than 10 days after the date of the notification that you were excluded or removed from the applicant pool.

Name: John T. Monpere

Date of the notice of exclusion or removal: 4/29/2010

Description of the error that caused the exclusion or removal: I clicked the submit button, but apparently it was not submitted. I had completed the application and I thought it was submitted, and did not realize until I got the email on the 29<sup>th</sup> that it had not been.

Description of the correct facts establishing that you should not have been excluded or removed: I believed that I had completed the application and I also had all three of the letters of recommendation included with my application. For some reason after I pushed the submit button it did not send the document to the Redistricting Commission.

---

Description of any evidence or other information that supports the facts as you now state them:

If you look at my application you will see that the essay questions are completed, as well as detailed employment background information. My intent was to submit a completed application, and to my knowledge it was submitted. Then, of course, I got the email on the 29<sup>th</sup> telling me otherwise.

If this request is being submitted more than 10 days after you were sent notice that were excluded or removed from the applicant pool, an explanation for why this request is being submitted late: \_\_\_\_\_
